- Details of the event giving rise to the claim (where, when, how).
- An estimate of the loss or damage.

Report to police

Advise the police as soon as reasonably possible of any malicious damage or act, theft, attempted theft, burglary or accidental loss, and give them a list of items damaged, stolen or lost. You will need to give us the name of the police officer, station reported to and date reported, and a copy of the police report.

Prevent further loss

Try to do everything you reasonably can to prevent any further loss or damage from occurring.

In the event of severe storm damage, contact the State Emergency Service, your local council or us for assistance.

Assist us with your claim

You will need to give us any information relevant to your claim that we may need to handle, assess or investigate your claim, in order to allow a settlement of your loss. This may include providing us with quotations for the repair or replacement of your property, or giving evidence in court if required.

If you make a claim and we wish to recover the amount we have paid from another person then, subject to the Insurance Contracts Act, we can do so. You and any other person entitled to cover under this policy must give us any information and help that we may reasonably require.

Allow us access

You may be required to let us enter your home to investigate the cause of loss or damage following a claim.

Make your damaged property available

You must make your damaged property available for inspection by us or a representative of ours and, if we require, deliver the items which have been damaged to us.

Provide proof of ownership, loss or damage

When you make a claim you may be required to provide proof of your ownership and value of the items you are claiming for.

Some acceptable proof of ownership documents are listed below.

- Sales receipts or accounts (originals or duplicates) showing the date, purchase price, a description of items purchased and place of purchase.

When requested, you must provide us with all proof, information, co-operation and assistance in relation to a claim, including giving evidence in court, as we may reasonably require.

Liability claims

If you receive notification of any claim made against you, you should promptly forward any demand, writ, summons or proceedings which you receive relating to any prosecution, inquest or hearing and all other information relevant to those matters where any liability under this policy may arise.

What you must not do when making a claim

Admission of liability

You must not admit guilt or liability to anyone.

You must not offer, agree or promise to settle any claim without our prior consent.

Authorisation of repairs

Apart from emergency repairs necessary to prevent or minimise further damage, you should not carry out or authorise any repairs or arrange replacement of any property without our prior consent.

Disposal of damaged goods

Do not dispose of any damaged property without our prior consent. We may need such property for inspection and assessment of repair costs by our representative or us.

You should not wash or clean or remove debris from an area damaged by fire unless we have agreed for you to do so.

What you must tell us

When answering our questions you will need to answer for yourself and anyone else who may receive a benefit under this insurance cover. It is important that you answer our questions truthfully and accurately, as they may affect our decision to insure you or pay a claim.

If more than one person is insured under this policy, a failure or wrongful action by one of those persons may adversely affect the rights of the other person(s) insured under this policy.

Your duty to take reasonable care not to make a misrepresentation

Before you enter into an insurance contract, you have a duty under the Insurance Contracts Act 1984 to take reasonable care not to make a misrepresentation.

Any offer of insurance depends on our assessment of your circumstances. Our decision will be based on the information you give us in response to the questions we ask when you apply for, renew or change your insurance with us.

Each question we ask you is important to our decision to provide you with cover. Even matters that may seem minor can affect our assessment. You should therefore treat every question as important.

If we ask you questions that are relevant to our decision to insure you and on what terms, you must take care to answer the questions truthfully, accurately, completely and to the best of your knowledge. You have this duty until we agree to insure you.

Failing in your duty may impact your cover in a significant way

Inaccurate, incomplete or misleading information may have a serious impact on your insurance. We may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

Exclusions applicable to your policy

Your policy may not provide you with cover in certain circumstances. Information about things that are not covered is included in each section of your policy under the headings 'We do not cover:' and 'We will not pay for:'. Further information about exclusions that apply to all sections of your policy is contained on pages 26–27.

Sum insured

The sum insured shown on your policy schedule includes taxes and charges and is the maximum amount we are obliged to pay in settlement of any claim unless otherwise stated in your policy.

Inflation protection

We will adjust the sum insured shown on your policy schedule for your home and contents at the end of each period of insurance to provide some measure of protection against increasing costs. You should check your sums insured to ensure they are adequate.

Premiums

The amount we charge you for this insurance when you first insure with us and when you renew is called the premium. We calculate your premium after taking a variety of factors into account. Some factors can affect the amount of your premium. The higher your risk profile, the higher your premium. Using our experience, we decide what factors will increase your risk profile and how they impact on the premium.

Your premium also takes into account our obligation to pay any relevant compulsory government charges, taxes or levies (eg stamp duty, GST and fire services levy), in relation to your policy. These amounts will be shown separately on your policy schedule as part of the total premium payable.

The following table is a guide on how these factors combine together and may influence our assessment of the risk and therefore, your premium.

FACTOR	PREMIUM MAY BE LOWER	PREMIUM MAY BE HIGHER
The postcode where your home and/or contents are located	Lower risk postcode	Higher risk postcode
The amount you choose to insure your home and/or your contents	Lower sum insured	Higher sum insured
Types of covers selected for your policy	Both home and contents taken together	Home taken without contents or vice versa
The age of your home	Lower age	Higher age
The construction type of your home	Brick	Non-brick
The construction type of your roof	Tiles	Other than tiles
The building type	House	Flat or unit
The purpose for which your home is used	Owner occupied	Holiday home, or rented to tenants
The age of the oldest person residing in your home	Older persons	Younger persons
The security of your home	Approved alarm system	Poor security
Somebody is normally at home during the day	Yes	No
The amount of your excess	A higher standard excess is selected	A higher standard excess is not selected
Your claims history	No prior claims	Prior claims

Discounts

We offer special promotional discounts to some customer groups from time to time. Any discounts you are entitled to are included in the premium we charge you.

Details of special promotional discounts that may be offered from time to time, and your eligibility for any discount, are available in our 'Guide to Premiums, Discounts and Excesses'. You may obtain a copy of this guide by visiting our website guildinsurance.com.au or calling us on **1300 988 988**.

Excess

When you make a claim under your policy, you may be required to pay an excess in respect of your claim. The amount of each applicable excess is shown on your policy schedule. The excess is only applied once per event, even if you claim under more than one section. We may give you the option of selecting a higher excess. The higher the excess you choose, the lower your premium. You do not have to pay the excess when you make a claim, however you will have to pay the excess before we will pay any money in relation to your claim.

Premium payment

Annual payment

You must pay the annual premium for your policy by the commencement of the period of insurance. If we do not receive your premium by this date or your premium is dishonoured, your policy will not operate and there will be no cover.

Premium payments by instalments

When you pay your premium by instalments:

- if a premium is overdue for a period exceeding 14 days we may refuse to pay any claim arising from an event that happens after the due date of the instalment
- if a premium is overdue for a period exceeding one calendar month we may cancel your policy, and
- if we agree to pay your claim, we will deduct any outstanding premium from the claim payment.

Premium refund

If your policy is cancelled and a refund of premium is due, we will retain from the premium you have paid to us a pro-rata amount that represents the period you were covered by us up to the date of cancellation (including any non-refundable duties or charges). We will refund the balance of the premium you have paid unless you have made a claim or are entitled to make a claim on your policy. We will not refund any premium amount less than \$5.00.

If the cover provided by your policy is altered and a refund of premium is due, we will refund the difference between the premium you have paid to us and the revised premium payable unless you have made a claim or are entitled to make a claim on your policy. We will not refund any premium amount less than \$5.00.

Cooling off period

If the policy does not meet your needs then you may cancel it within 21 days of the commencement of cover by notifying us in writing. You will receive a refund of the premium you have paid (less any non-refundable duties or charges) unless you have made or are entitled to make a claim under the policy. You still have cancellation rights after this cooling off period ends.

Cancelling this policy

You may cancel this policy at any time by giving us written notice. If you pay your premium by instalments, you must pay us any unpaid instalments that are due. We may cancel this policy in accordance with the Insurance Contracts Act.

On cancellation we will retain from the premium you have paid to us a pro-rata amount that represents the period you were insured by us up to the date of cancellation, unless you cancel your policy within the initial 21 day cooling off period.

Other important information

GST

Sums Insured

The Sum Insured that you choose should include Goods and Services Tax (GST). In the event of a claim, if you are not registered for GST, we will reimburse you the GST component in addition to the amount we pay you. If you are registered for GST, you will need to claim the GST component from the Australian Tax Office. Where you cannot claim the GST component in full, we will reimburse you the unclaimed GST component in addition to the amount we pay you.

Claim Settlement

Where we make a payment under this policy for the acquisition of goods, services or other supply, we will reduce the amount of the payment by the amount of any input tax credit that you are, or will be, or would have been entitled to under the GST Act in relation to that acquisition, whether or not that acquisition is actually made. Where we make a payment under this policy as compensation, instead of for the acquisition of goods, services or other supply, we will reduce the amount of the payment by the amount of any input tax credit that you would have been entitled to under the GST Act had the payment been applied to acquire such goods, services or other supply.

Disclosure of Input Tax Credit Entitlement

You must advise us of your correct input tax credit percentage where you are registered as a business and have an Australian Business Number. Any GST liability arising from your incorrect advice is payable to you.

Other persons bound by this policy

Any person entitled to cover under this policy is bound by its terms and conditions.

When your home is unoccupied for more than 60 consecutive days

We will not cover you for loss or damage caused by events listed in this policy (other than arising from earthquake, impact, riot, civil commotion or public disturbance) if your home has been unoccupied for a period of 60 or more continuous days unless you have obtained our written consent and paid any additional premium required by us.

For your home to be considered occupied, it must be sufficiently furnished to be lived in, connected to electric power, and you or someone nominated by you must have stayed in your home for two consecutive nights on at least one occasion in a 60 day period.

If you will not be living in your home for more than 60 consecutive days, you are required to:

- tell us beforehand
- pay us any extra premium which may be applicable, and
- make sure that someone collects your mail and sees to the general tidiness of your home so as not to encourage intruders.

Notification of change of risk

You must notify us as soon as possible if any change is made to your home, contents or personal property that might affect the nature of the risk covered by this policy or the terms of any subsequent renewal.

Breach of policy

If you fail to comply with this policy and your breach or failure prejudices our interests, subject to the Insurance Contracts Act, we may refuse to pay any claim under this policy, whether in whole or in part. We may also choose to cancel your policy, or do both.

Legal representation

We may represent or defend you or any person entitled to cover under this policy in respect of legal liability as we see fit at any inquest or inquiry or in any action or proceedings.

Protection of property

You must do everything you can to safeguard your home, contents and personal property from damage, maintain them

in good condition and minimise the risk of injury from them. This includes compliance with all laws, by-laws and statutory regulations.

Fraudulent claims

If any claim made under this policy is made fraudulently, subject to the Insurance Contracts Act, we may refuse payment of the claim, or cancel your policy, or do both.

Hazardous goods

If you are storing hazardous goods or substances in your home or at your address, you must comply with all applicable laws and regulations.

Paying your claim

We only pay once

Where a claim is payable under both the 'Cover for your home' and 'Cover for your contents' sections of this policy we will pay you the better benefit, but will not pay you under both sections.

When you have legal liability cover under both the 'Cover for your home' section and the 'Cover for your contents' section the most we will pay is the sum insured shown on your policy schedule inclusive of legal costs, charges and expenses, and these covers are not cumulative.

Reinstatement of your sums insured following a claim

Where there is loss or damage to your home, your contents or your personal property, and a claim is admitted by us, the sum insured will be automatically reinstated without payment of an additional premium, unless the claim is for a total loss. If we pay the full sum insured for your home, contents or personal property then cover under those sections comes to an end.

If the claim is for a total loss of your home and we have paid you the sum insured then cover for your home will end but liability cover will remain in force until the expiry date of your policy.

How we pay a claim for your home

Where we pay a claim for your home, we will choose to do one of the following:

- Repair the damaged portion of your home.
- Replace your home.
- Pay you an amount equal to the reasonable cost to repair or replace your home.

If you decide not to repair or replace your home, or you unreasonably delay commencement or completion of repair or replacement, we will only compensate you for what it would have cost to repair or replace your home at the date of the loss or damage.

The most we will pay for your home

The most we will pay for your home is the sum insured shown on your policy schedule unless otherwise stated in your policy.

Cash settlement

Where we have offered to repair or replace your home, you may request that we pay you a cash settlement. We may decline your request however, we will not unreasonably do so.

If we agree to pay your claim by a cash settlement, we will pay you an amount equal to the reasonable cost to repair or replace your home, less any trade discount that we would have obtained from a supplier, had we proceeded to repair or replace your home.

Matching building materials

Where we repair your home we will try to return your home to the same condition as when new, or when last renovated by matching building materials as far as we can.

Where we cannot achieve an exact match, we will use materials that match the damaged or lost materials as near as possible in our opinion. We will only do this to the room where the loss or damage occurred.

We will not pay for matching building materials in order to create a uniform effect throughout your home.

Unreasonable delay

We will not pay for any additional or increase in costs due to any unreasonable delay in the commencement of repairs to your home or rebuilding your home.

Home rebuilt at another address

If we agree to replace your home following loss or damage insured by this policy, you may do so to your specifications at your address or another address you choose.

We will not pay for any amount in excess of the amount we would pay if the change of address or specifications had not occurred.
